Hardcastle's Renowned Company of Players*

Sweet Ladies and Gentlemen, allow us to introduce ourselves as none other than Malvolio **HARDCASTLE'S MIGHTY EXCELSIOR THEATRE** Company!

Our legendary dramatic performances have **PROFOUNDLY AFFECTED** our devoted & most kind & **GENEROUS** audiences throughout the known world (known to us, anyway).

Recognised by the highest society and sundry constabularies, we travel far and wide with our Travelling Theatre, hauled by our (lately deceased, but quite tasty) carthorse, Hamlet. Our sole desire is to bring you, our **GENEROUS** audience, the most uplifting and moral tales of **ADVENTURE**, and **ADVERSITY**, This year, we are proud to present the complete and utter history of the entire

North of England. From **BEASTLY SAVAGES** to the present time of **1858** in the glorious reign of **Queen Victoria**, you, our most valued and **GENEROUS** audience will thrill to the sound of battle, marvel at the re-enactment of our finest moments, and stand quite amaz'd at the depiction of epic stories from the Great North, with **NO EXPENSE SPARED!**

See the noted tragic actress, **Tess Tiquelle**, display her **NAKED** emotions, while the once famed **Gladys Hardcastle** will display anything on request.

**Bessie Fulsome** will wield a small axe to ensure the continued **GENEROSITY** of you, our esteemed audience....

THANKS TO OUR ESTEEMED PATRON
